ABOUT US

Observe Care Ltd. is a CQC-registered home care agency providing compassionate, high-quality support for individuals of all ages. Our services range from light personal care and domestic cleaning to live-in care and specialized support for children and young people with learning disabilities and autism. We tailor our care to meet each client's unique needs, ensuring flexible, dependable, and professional support at competitive rates.

OUR CARE GIVERS

Our caregivers are compassionate, highly trained professionals dedicated to providing the best possible support. Each caregiver is fully screened, insured, and bonded, offering you peace of mind and a high standard of care. They are licensed, certified, and equipped to handle diverse care needs, whether you require occasional assistance or round-the-clock live-in care. For urgent needs, our team is available to provide help within 24 hours, ensuring that quality care is always accessible when you need it most.

WHY CHOOSE US?

Observe Care Ltd. delivers professional, compassionate care designed to support individuals in the comfort of their own homes. We offer assistance with daily needs, including medication management, ensuring clients receive their care safely and reliably. Our services are flexible, providing in-home support during the day, at night, or whenever you need it most.

For family and friends, our respite care offers a chance to rest, knowing their loved one is in trusted hands.

MEDICATION REMINDER

Training is essential for both the growth of our staff and the quality of care we deliver. At Observe Care, we prioritize ongoing professional development, offering mandatory training in areas such as moving and handling, basic life support, medication administration, food hygiene, health, and safety. Specialized training is also provided for caregivers working with children and young people, covering autism, learning disabilities, and behavior management to ensure all clients receive the best possible support.

HOSPITAL DISCHARGE

The transition from hospital to home can be challenging. Our hospital discharge support ensures clients have a smooth and safe return, whether for short-term or long-term care. We collaborate with healthcare professionals to create tailored care plans, focusing on each individual's needs, including those with physical disabilities or young clients with developmental requirements.

TRAINING

Training is essential for both the growth of our staff and the quality of care we deliver. At Observe Care, we prioritize ongoing professional development, offering mandatory training in areas such as moving and handling, basic life support, medication administration, food hygiene, health, and safety. Specialized training is also provided for caregivers working with children and young people, covering autism, learning disabilities, and behavior management to ensure all clients receive the best possible support.

OBSERVE CARE RECRUITMENT

We recruit and supply highly skilled caregivers, including nurses, care assistants, and support workers, to NHS hospitals, nursing homes, residential homes, and for in-home and live-in care. Our robust recruitment process adheres to strict safety and quality standards to ensure we hire the best staff for each role. Our team is equipped to support clients of all ages, from elderly adults to children and young people with specialized needs.

✓ LIVE-IN CARE

Observe Care provides professional live-in care, allowing clients to stay independent in the comfort of their own homes, with personalized support tailored to their needs.

✓ HOME CARE SERVICES

Our comprehensive home care covers personal assistance, household help, shopping, meal delivery, and support for children and young people with learning disabilities and autism.

✓ PERSONAL CARE

We offer assistance with dressing, feeding, bathing, and toileting, along with emotional support for adults and young clients, fostering dignity and independence.

✓ SPECIALISED CHILD & YOUNG ADULT CARE

Our caregivers provide specialized care for children and young people, including educational support, behavioral assistance, social activities, and respite for families.

✓ LIGHT DOMESTIC CLEANING

Our team handles light housekeeping and domestic tasks, ensuring a clean and healthy home environment for your loved one's comfort and well-being.
